

# Daily 5 Work with Words Menu

Pick a unit of words to work on and an activity. When finished colour the Unit and the activity with the same colour crayon or pencil crayon. Keep all sheets in your Daily 5 Word Work duotang.

unit	activity	activity
1	<b>stamp it out!</b> Write each word. Use the alphabet stamps to stamp each word. <u>Underline</u> any words that have more than one syllable.	<b>rainbow words</b> Write your words using the markers given. Try to follow the rainbow order: red, orange, yellow, green, blue, & purple.
2	<b>wiki sticks</b> Use the wiki sticks to make each word. Write the words in the spaces when finished.	<b>crossword surprise!</b> Start with one word. Add other words using letters from the first word. Just like the bulletin board outside. See example.
3	<b>roll a sight word!</b> Pick 6 words you need to learn. Write them on the first line, one under each dice. Roll the die. Write the word under each column when the number is rolled.	<b>word roll</b> Roll the 2 dice. Match the number and letter. Highlight the word. Print the word on a white board once it's highlighted.
4	<b>dictionary dig</b> Find each word in the dictionary. Write your word, the page number, and the two guide words at the top of the dictionary page on your worksheet.	<b>spelling city</b> Use the computer to work on activities. Make sure you do one of the Units you're suppose to work on.
5	<b>silly sentences</b> Create a silly sentence for each word. Can you turn a silly sentence into a tongue twister by starting each word with the same letter?	<b>foam letters</b> Create your words using the foam letters. Write your words in the spaces when finished. <u>Underline</u> any words that have more than one syllable.
